

## Checklist Before Submitting Articles

All of the articles submitted to the Journal of Anesthesiology and Reanimation Specialists' Society should fit to the "Instructions for Authors' details on the journal web site. The review process will not start until all the below steps are completed.

- 1-Letter of submission written for the chief editor.
- 2- E-mail address as well as postal address, telephone number of the corresponding author.
- 3- Affiliations (in English) and ORCID numbers (<http://orcid.org>) of all the authors.
- 4- English and Turkish titles and short titles.
- 5- English and Turkish abstracts, 250 words at maximum (structured in original investigations).
- 6- English keywords in accordance with Medical Subjects Headings-MeSH List (up to 6 words). Turkish keywords in accordance with "Türkiye Bilim Terimleri" (up to 6 words).
- 7- Main text divided into appropriate sections (up to 3500 words in original investigations, up to 1500 words in case reports, up to 5000 words in reviews).
- 8-All figures (with legends and at most 15) and tables (with titles and at most 6) cited in the text.
- 9- Complete and accurate references written according to the rules of the journal (references should be 30 at max. in original investigations, 15 at max. in case reports, 50 at max. in reviews).
- 10- All references should be cited in order in the text. All references cited in the text should be listed.

In order to start the evaluation process, the below 4 documents should be send through the online system for all the articles:

- I-For all the studies signed copy of "**Ethical Committee Approval Document**"
- II-"**Copyright Transfer Form**" with all of the authors' signatures,
- III-"**Author Contribution Form**" with all of the authors' signatures.
- IV-English language control and approval certificate.
